

Dear Hospitality Friend:

The Minnesota Chapter of HSMIAI will be kicking off 2023 with a social event and silent auction in March. We would like to invite you to advertise your organization through participation in our silent auction with a donation.

Proceeds from the silent auction will go towards assisting with the financial burden of HSMIAI student memberships at our partner college UW-Stout, as well supporting our chapter's efforts to bring affordable, high value education and networking events to our local hospitality industry colleagues.

We will be awarding student membership scholarships to provide support to our students and encourage their involvement. HSMIAI UW-Stout's mission is to bridge the gap between learning in the classroom and real world experience. This gives them the unique opportunity to learn and connect with today's hospitality professionals, setting them up for success upon graduation.

Your participation means so much to this event. Any products, services, or gift certificates are welcome. Please reply with the donation item(s) you would like to give along with their estimated value. If your donation needs to be picked up, please let us know and we will be glad to make arrangements. **All donations need to be received by February 24th, 2023.**

Thank you for your consideration and we look forward to the opportunity to partner with you!

Kind Regards,
Steven Dickey
President
HSMIAI-Minnesota
